Debriefing Session on the 4th China Strategic Environmental Assessment Forum

The 4th China Strategic Environmental Assessment (SEA) Forum, co-organised by the Nankai University and the Chinese University of Hong Kong, with the theme of **SEA under Perspective of the new Environmental Law**, was successfully held on 2-3 July 2015 in Chengdu Sichuan Province, China.

More than a hundred of EIA practitioners from government administration, consultancy and academic sectors in China, Hong Kong, Taiwan and other regions attended the forum and exchanged their views. HKIEIA is one of the supporting organizations of this forum. We have a team of 10 HKIEIA delegates joined the forum.

We are pleased to have members of HKIEIA who attended the forum to share with us some key ideas presented at the Forum, in particular on “**One Belt, One Road**”, which is the latest development strategy by the Administration of China. What is the significance of SEA in One Belt, One Road and what is its role to play are the most frequently discussed topics at the Forum.

You are cordially invited to join the debriefing session and details are as follows:-
