

Debriefing Session

The 3rd China-Japan-Korea Tripartite EIA & SEA Conference was successfully held on 8-9 November 2013.

We are pleased to have members of HKIEIA who attended the 3rd China-Japan-Korea Tripartite EIA & SEA conference, to share with us the topics they presented at the conference. You are cordially invited to join the debriefing session on the key ideas presented at the conference.

Speaker: Professor K.C. Lam, Chinese University of Hong Kong
Mr. Marcus Ip, Technical Director, Environment at Aecom Asia Co., Ltd.
Mr. Henry Leung, Sr. Environmental Engineer, MTRC

Venue: Duke of Windsor Social Service Bldg, 4/F., 15 Hennessy Rd., Wan Chai (refer to location map below)

Date: 18 December 2014 (Thursday)

Time: 6:30p.m. - 8:00p.m.

The 3rd China-Japan-Korea Tripartite EIA & SEA Conference was held in Chiba near Tokyo on 8-9 November, 2013. Over 80 delegates attended the conference discussing hot issues related to, and recent developments in, EIA/SEA.

The presentations touched on areas related to SEA development in China, sustainable rail development, EIA and climate change and stakeholder engagement.

Registration

The seminar is free of charge. If you are interested to join, please email your name, company's name and whether CPD cert is required to M.H. Isa (azanhk@yahoo.com), Event Organizer of HKIEIA.

For Members of HKIEIA, participation in this event will be entitled to 1.5 hours towards the Institute's AMP Accreditation Scheme.
