

BEC Leadership Networking Series:

The Environmental Impact Assessment Ordinance 20 years on: achievements and possible enhancements

8 February 2018 (Thu) – 5:00pm to 6:30pm

[Register Now!](#)

The Environmental Impact Ordinance is a very important part of Hong Kong's legal framework on environmental protection. It was introduced 20 years ago and has to date influenced decisions on infrastructure and other major projects. This seminar will be a chance to learn more about how it has worked over the years, and the gains made in terms of environmental protection, as well as to explore possible enhancements for the future.

Speakers

- **Mr Elvis Au**, Deputy Director of Environmental Protection Department, HKSAR Government
- **Mr Freeman Cheung**, Senior Vice President, Environment, Greater China, AECOM
- **Prof Benoit Mayer**, Assistant Professor, Faculty of Law, the Chinese University of Hong Kong

About Business Environment Council Limited 商界環保協會有限公司

Business Environment Council Limited 商界環保協會有限公司 (“BEC”) is an independent, charitable membership organisation, established by the business sector in Hong Kong. Since its establishment in 1992, BEC has been at the forefront of promoting environmental excellence by advocating the uptake of clean technologies and practices which reduce waste, conserve resources, prevent pollution and improve corporate environmental and social responsibility. BEC offers sustainable solutions and professional services covering advisory, research, assessment, training and award programmes for government, business and the community, thus enabling environmental protection and contributing to the transition to a low carbon economy.
